

 **STREAMZ**
WATER FOR LIFE AND LIVING.

STREAMZ
WATER FOR LIFE AND LIVING.

STREAMZ

Your Trusted Source for Pure, Refreshing Water

At Water STREET NRG,
we are committed to
providing communities
with access to **clean,
pure, and refreshing
water** solutions. We have
set out on a mission to
deliver **premium quality
water products and
services** that not only
quench your thirst but
also enhance your overall
well-being.

Established in 2023, Our journey began with a simple yet powerful vision: to make **high-quality drinking water accessible to everyone**. Over the years, we want our company to stand as a symbol of purity and reliability.

Our Commitment

At Water Street NRG, we understand the significance of water as a fundamental element of life. With this understanding, we have meticulously designed our business to cater to the diverse needs of our customers. Our commitment is built on three core principles:

Quality Assurance:

We adhere to the highest standards of water purification and treatment to ensure that every drop we provide is of the utmost quality and purity. Our state-of-the-art facility and rigorous quality control processes guarantee that you receive nothing but the best. Our water quality is checked by accredited laboratories against SANS 241 requirements.

Customer Satisfaction:

Your satisfaction is at the heart of our operations. We go the extra mile to listen to your needs and deliver personalized solutions that exceed your expectations. Our friendly and knowledgeable team is always ready to assist you.

Community Impact:

We believe in giving back to the communities we serve. Our sustainable practices and environmental consciousness reflect our commitment to preserving our planet's most precious resource - water.

Our Range of Products and Services

Purified Drinking Water

Our flagship product is crystal-clear purified water, available in various sizes to meet your daily hydration needs.

Juice range

Our STREAMZ juice range made of purified water available in various pack sizes (from 250ml to 5L)
